

## **MAHATMA GANDHI INSTITUTE OF MEDICAL SCIENCES, SEVAGRAM**

### **ACTIVITIES OF ALUMNI ASSOCIATION**

The institute has a registered alumni association. A complete electronic database of alumni is maintained.

#### **Silver Jubilee Celebrations of alumni batches**

Every year, the batch celebrating its Silver Jubilee year has its Silver Jubilee programme on campus in the last week of December. The programme includes a get together of the alumni with felicitation of teachers. The Institute hosts lunch and their stay on the campus. Alumni contribute academically and financially towards the development of the institution and its programs. Some batches have gone back to their adopted villages and contributed to village development schemes. A vibrant alumni group on social media interacts with undergraduates and gives them career guidance.

#### **Other activities**

The office bearers meet frequently and plan various activities:

1. Career guidance of students
2. Deliver talks and lectures at MGIMS
3. Financial support to students who come from disadvantaged backgrounds.
4. Enhancing the academic learning environment
5. Contribution to develop institutional infrastructure

Alumni are encouraged to give feedback about the institute infrastructure and curriculum. Many alumni have been working for several years in the institute as faculty. They help in keeping the links alive with alumni.

This year, MGIMS alumni donated for the treatment of a medical student Adarsh Gupta who was diagnosed with leukemia and needed a bone marrow transplant. Within 3 days, the alumni raised almost Rs. 30 lakhs, which enabled him to initiate treatment at Tata Memorial Hospital, Mumbai. This is a shining example of the power of community support.
