

## **Mahatma Gandhi Institute of Medical Sciences, Sevagram**

### **ALUMNI ASSOCIATION 2022-23**

#### **Quantum of financial contributions**

1. Whenever a new batch of undergraduates or postgraduates is admitted at MGIMS Sevagram, a one-time lifetime membership of Rs 500/- per student is collected with fees. Then, it is transferred to the Alumni account once admission is completed. Thus, we receive approximately 1 Lac per year as new lifetime membership fees.
2. From time to time, alumni of the institute donate to social causes. E.g. Recently, Rs 17 lakhs were donated to a final year student of MBBS for his cancer treatment.
3. A cardiac ambulance was donated by the 1978 batch to Kasturba Hospital Sevagram.
