## POST GRADUATE COURSES 2022-23

1. The fee structure in MGIMS is as applicable to the Govt. Medical Colleges in Maharashtra State. The institute does not have any paid/management seats.
2. Please visit our website [www.mgims.ac.in](http://www.mgims.ac.in) for updates.
3. We have not appointed any representative in any part of country for the purpose of PG admission.

### OBJECTIVES

#### MEDICAL EDUCATION

- To evolve an integrated pattern of medical education
- To provide value-based and cost-effective medical education with a community oriented approach
- To teach and train doctors with a focus on rural orientation

#### HEALTH SERVICE

- To provide state-of-the-art health care facilities at affordable cost
- To evolve a comprehensive health care delivery system consonant to the needs of the community
- To empower the community by involving them in their own healthcare
- To provide accessible and affordable health care, primarily to under privileged rural communities

#### RESEARCH

- To conduct appropriate and community-based research on priority health issues
- To promote research in Indian systems of medicine along with allopathic medicine.

### (A) ADMINISTRATION

President, Kasturba Health Society	- Shri Dhiru. S. Mehta
Vice President, Kasturba Health Society	- Shri. P. L. Tapadiya
Secretary, Kasturba Health Society	- Dr. B.S. Garg
Dean, MGIMS	- Dr. N. M, Gangane
Med. Superintendent, Kasturba Hospital	- Dr. S.P.Kalantri

### (B) INTRODUCTION

## 'A Medical College with a Difference'

#### MGIMS: Quality Medical Education

The institute strives to produce doctors of high clinical competence, professional attitudes and ethical behavior. The Institute believes that Gandhian values and principles are relevant even today and it displays a fierce commitment to advancement of medical education without losing the humane touch. We, at MGIMS, are conscious of the fact that medical education needs to maintain the right balance in the eternal triangle of 'quality, quantity and equity'. The students at MGIMS are drawn from all parts of the country and come from all kinds of social backgrounds. Every effort is made to acquaint the medical student to the real rural India. Our approach to medical education with the spotlight on rural community oriented education makes our doctors sensitive to the felt needs of the people they would be serving in their future. Our students are expected to adhere to professional norms which include altruism, compassion, empathy, accountability, honesty and integrity.

## **Departments and Disciplines**

The Institute offers degrees and diplomas in 20 postgraduate disciplines, recognized by the Medical Council of India and PhDs in Ten departments is recognized by Maharashtra University of Health Sciences, Nashik (MUHS). The Institute follows all the norms laid down by the Medical Council of India and by the affiliating University, Maharashtra University of Health Sciences, Nashik for quality medical education. However, to achieve its specific objectives, it has made some curricular innovations which are unique and have stood the test of time now for many years.

Students have access to computers and internet. Drawn from all parts of India, MGIMS has the services of committed, trained full time teachers and physicians, many of whom have won prestigious National and International awards.

## **Research**

The focus of the Institute has been on community based medical research. Quality research has been the hallmark of this rural institute and the large number of funded projects awarded to the various departments is ample testimony to the potential of the researchers. We have consistently received funding from the Indian Council of Medical Research, Department of Science and Technology, Department of Biotechnology, WHO, UNICEF, National Institutes of Health (NIH), National Heart Lung Blood Institute (NHLBI) and other such organizations. Being located in Sevagram has never been a hurdle in acquiring either funds or facilities as the enthusiasm and the dedication of the faculty surpasses all other deterrents. Each year, the large numbers of national and international peer reviewed publications from this Institute provide evidence of excellence in research.

Over the last five decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money; and to maintain excellence in quality. Today, MGIMS has impressive academic standards and excellent research facilities. In the 52 years of its existence, 2900 doctors have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater

## **KASTURBA HOSPITAL**

### **Rural Health Care**

The Institute primarily caters to the rural populace. Almost three-fourths of the patients who visit our hospital come from rural backgrounds. The patient load comes to us not only from Vidarbha in Maharashtra, but also from adjoining parts of Andhra Pradesh, Telangana, Madhya Pradesh and Chhatisgarh. Kasturba Hospital is a rural institute but it does not lack in any of the modern health care amenities and is able to provide health services at affordable costs. Kasturba Hospital offers the benefits of modern technology with compassionate health care. Acharya Vinoba Bhave while giving his blessings at the time of starting of this institute said that, "We should have such a hospital so that no patients from surrounding rural areas and Wardha district will have to go to bigger cities and metropolitan cities to receive treatment".

The Hospital has state-of-the-art intensive care units in Medicine, Surgery, Obstetrics and Gynecology and Pediatrics which provide excellent critical care. A well equipped hemodialysis unit is available for patients of renal failure. The Sri Satya Sai Accident and Emergency Unit provides succour to patients of trauma. The Institute has a Blood Component Unit which provides components not only to patients in Kasturba hospital, but also to adjoining private hospitals. Facilities for MRI, CT Scan and Mammography are available. The Institute also has a linear accelerator which is used for treatment of cancer patients. The Pathology, Microbiology and Biochemistry laboratories have in-house facilities to conduct a battery of diagnostic tests. All departments of the hospital are connected by an advanced Hospital Information System and have wi-fi access. The Institute has also added digital subtraction angiography, brachytherapy and a cath lab to its armamentarium.

## **AWARDS AND RECOGNITION**

The National Rural Health Mission has lauded the 'positive contribution of MGIMS in maternal health activities conducted in partnership with the Government of India'. In 2006, the Institute was awarded the Mahaveer Award for Excellence in the Sphere of Education and Medicine by the Hon'ble President of India. The Institute was bestowed with the National Award for Innovative Hospital and Health Care Management by the Bombay Management Association in 1990. MGIMS has been included among the top 20 best Medical Colleges of the country by the INDIA TODAY survey in May 2008. A survey conducted by the National Medical Journal of India in 1996 ranked the Institute as second in research in Maharashtra. According to a survey (July 2014) by Outlook magazine, MGIMS

has been ranked 17th in the list of top 25 medical schools of the country. The monthly Magazine “Careers 360” which is India's largest higher education & career counseling portal and gives bird's eye view of the popular study destinations across the globe has ranked Mahatma Gandhi Institute of Medical Sciences 10th in the list of India's Best Private Medical Colleges based on student's quality, output, impact and learning.

**The Institute has been accredited grade A by NAAC in recognition of its academic, research & health care activities.**

Over the last four & half decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money; and to maintain excellence in quality. Today, MGIMS has impressive academic standards and excellent research facilities. In the 51 years of its existence, many doctors have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater.
