**'A Medical College with a Difference'**

#### **MGIMS: Quality Medical Education**

The institute strives to produce doctors of high clinical competence, professional attitudes and ethical behavior. The Institute believes that Gandhian values and principles are relevant even today and it displays a fierce commitment to advancement of medical education without losing the humane touch. We, at MGIMS, are conscious of the fact that medical education needs to maintain the right balance in the eternal triangle of 'quality, quantity and equity'. The students at MGIMS are drawn from all parts of the country and come from all kinds of social backgrounds. Every effort is made to acquaint the medical student to the real rural India. Our approach to medical education with the spotlight on rural community oriented education makes our doctors sensitive to the felt needs of the people they would be serving in their future. Our students are expected to adhere to professional norms which include altruism, compassion, empathy, accountability, honesty and integrity. Drawn from all parts of India, MGIMS has the services of committed, trained full time teachers and physicians, many of whom have won prestigious National and International awards.

## **Departments and Disciplines**

The Institute offers degrees in 20 postgraduate disciplines, recognized by the National Medical Commission and PhDs in 10 departments is recognized by Maharashtra University of Health Sciences, Nashik (MUHS). The Institute follows all the norms laid down by the NMC and by the affiliating University, Maharashtra University of Health Sciences, Nashik for quality medical education.

## **Research**

The focus of the Institute has been on community based medical research. Quality research has been the hallmark of this rural institute and the large number of funded projects awarded to the various departments is ample testimony to the potential of the researchers. We have consistently received funding from the Indian Council of Medical Research, Department of Science and Technology, Department of Biotechnology, WHO, UNICEF, USAID, Fogarty AIDS Research and Training Program, USA, Canadian Institute of Health Research, Population Health Research Institute, Canada, National Institutes of Health (NIH), National Heart Lung Blood Institute (NHLBI) and other such organizations. Being located in Sevagram has never been a hurdle in acquiring either funds or facilities as the enthusiasm and the dedication of the faculty surpasses all other deterrents. Each year, the large numbers of national and international peer reviewed publications from this Institute provide evidence of excellence in research. Over the last five decades, the MGIMS faculty has been striving hard to imbibe the philosophy which makes it pursue excellence in academics, healthcare and research, more than mundane needs and money; and to maintain excellence in quality. Today, MGIMS has impressive academic standards and excellent research facilities. In the 54years of its existence, **2480 doctors** have graduated from the hallowed premises of MGIMS. Our alumni, spread far and wide across the globe, continue to bring laurels to their Alma Mater.

## **KASTURBA HOSPITAL**

The hospital primarily caters to the rural populace. Almost three-fourths of the patients who visit our hospital come from rural backgrounds. The patient load comes to us not only from Vidarbha in Maharashtra, but also from adjoining parts of Andhra Pradesh, Madhya Pradesh and Chhattisgarh. Kasturba Hospital is a rural institute but it does not lack in any of the modern health care amenities and is able to provide health services at affordable costs. Kasturba Hospital offers the benefits of modern technology with compassionate health care.

The Hospital has state-of-the-art intensive care units in Medicine, Surgery, accidental / emergency, Obstetrics and Gynecology and Pediatrics which provide excellent critical care. A well-equipped hemodialysis unit is available for patients of renal failure. Cath Lab with facility for Angiography and Angioplasty is available. The Sri Satya Sai Accident and Emergency Unit provides succor to patients of trauma. The Institute has provided cervical services and Kasturba Hospital has 16 Modular OT. The Institute has the only Blood Component Unit in the district which provides components not only to patients in Kasturba hospital, but also to adjoining private hospitals. Facilities for MRI, CT scan and Mammography are available. The Institute also has a Linear accelerator, digital subtraction angiography. The Alcohol and Drug De-addiction centre seeks to rehabilitate patients who are addicted to drugs and alcohol. The Pathology, Microbiology and Biochemistry laboratories have in-house facilities to conduct a battery of diagnostic tests. All departments of the hospital are connected by an advanced Hospital Information System. Students have access to computers and internet with PACS.

## **AWARDS AND RECOGNITION**
